

¡TIERRA! ESPRESSO OCS RANGE

Premium blend of 100% washed Arabica with a very aromatic and sweet flavour and consistent, soft crema.

Lavazza ¡TIERRA! is the sustainable development project promoted by Lavazza aimed at ensuring both product excellence and an improved quality of life for a number of communities of premium coffee growers via the provision of modern equipment and suitable tools for the cultivation and sale of coffee through the use of eco-friendly techniques. The agricultural producing communities are certified by Rainforest Alliance, the international non-governmental organization active in promoting sustainable coffee.
